ABOUT US

ANTOTEC ULTIMATE GLOBAL SERVICES LTD is an indigenous private corporation licensed to operate as an oil and gas/petroleum inspection firm.

With our headquarters located in Ikeja, Lagos state, we are committed to making significant impact in the most populous black nation, Nigeria.

Led by a group of experts with more than 15 years of combined experience in the oil and gas industry, our skilled crew provides a wide variety of clients a full range of petroleum and crude oil inspection services.

We are fully licensed to carry out various services which include; Supervision of loading and unloading operation of cargos, Measurement and calculation of quantity/quality contained in both ship tank and shore tanks, Visual inspection of ship tanks, pumps and pipelines for cleanliness, Drawing Samples of cargo according to instruction for checking the quality by laboratory Analysis for the purpose of re-assurance of actual weight and quality of the products, and Reporting on the visual condition of the cargo and also establishing their conformity to required standards and specifications.

Our Upstream inspections are carried out efficiently at various points during the production process, including on the production sites, platforms used for storage, and also when crude oil is being drained at loading or unloading facilities, on ships, or in road tank trucks.

Additional services provided by Antotec Ultimate Global Services Limited are bunker surveys, loss control services for quantity and time during loading or discharge operations, with calculations done to determine the agreed loss quantity (if any), and vessel demurrage.

VISION

By continually exceeding customers' expectations in all of our offerings, we seek to build a sustainable business.

MISSION

Our mission is to balance value and cost while ensuring stability, outstanding customer experiences, and a lasting mutually beneficial partnership.

We are committed to adhering to a policy of quality, safety, and continuous improvement, offering you a flexible range of services. We coordinate projects, General merchants, trading and procurement with the purpose of bringing customers' satisfaction.

Our company takes pride in its capacity to give every project it works on meticulous attention to detail and the best possible value for the money.

OUR TEAM
